Life is a garden
Our actions the seeds;
Kind acts the flowers,
Our errors the weeds.
Shall we plant a garden
Of kind thoughts and deeds-
Or will it be errors
And a harvest of weeds?

"What is a Woman's Club? A meeting
ground
For those of purpose, great and broad
and strong,
Whose aim is towards the stars; who
ever long
To make the patient, listening world
resound
With sweeter music; purer, nobler tones.
A place where kindly, helpful words
are said,
And kindlier deeds are done; where hearts
are fed;
Where wealth of brain for poverty atones.
And hand grasps hand and soul finds
touch with soul
This is a Woman's Club, a haven fair,
Where toilers drop an hour their load
of care".

Collect

Keep us, O God, from pettiness, let us be large
in thought, in word, in deed.
Let us be done with fault finding, and leave
off self seeking.
May we put away all pretense, and meet each
other face to face without self pity and with-
out prejudice.
May we never be hasty in judgement and always
generous.
Teach us to put into action our better impulse
straightforward and unafraid.
Let us take time for all things, make us grow
calm, serene and gentle.
Grant that we may realize it is the little
things that create differences, that in the
big things of life we are as one.
and may we strive to touch and to know the
great common woman's heart of us all, and O
Lord God, let us not forget to be kind.
